

GambleAware

As part of GambleAware's new monthly webinar series you are invited to attend the first event to coincide with publication of new research by YouGov on:

Women and Gambling

Wednesday 15th July at 10am-11am via Zoom

The event will be chaired by GambleAware Trustee, **Professor Sian Griffiths OBE** with contributions from:

- **Briony Gunstone**, Research Director, YouGov
- **Anna Hemmings**, CEO and **Nadine Ashworth**, Women's Engagement Worker, GamCare

During the event, contributors will consider:

- Learning from other sectors in addressing stigma and barriers to treatment and support for women
- New quantitative data on women and gambling harms and demand for treatment and support
- The challenges and opportunities for service providers in reducing and preventing gambling harms among women

If you would like to attend please RSVP by **Monday 13th July** to jennifer@gambleaware.org who will share the Zoom event details ahead of the event.
